“Downloading, posting or otherwise using copyrighted material without permission is a violation of LCWA’s terms of service.

Anytime LCWA becomes aware of a claim that a user has infringed a third party’s copyright, we will attempt to identify the infringing member/user.

If you believe that material used on LCWA’s network infringes your copyright, please send us a proper notice of infringement. We will investigate the matter and, if we can identify the user, notify the user promptly.”

Unless the user properly contests all claims, **LCWA will suspend the user’s account after receiving a second claim of infringement** by the same user. If the issue is not resolved by a written promise to cease copyright infringement activity, or **upon a third claim of infringement, the user’s account will be terminated.**
